Nordic Championship F3J, Sweden 2009

On behalf of the Swedish Airsports Federation, Herrljunga modellflygklubb hereby invites the Nordic countries to the **Nordic Championship F3J 2009**. The competition will be held during the **weekend 25 - 26. July 2009**, at Herrljunga model airfield west of Herrljunga, (approx. 100 km north-east of Gothenburg).

Teams

Each country is invited to participate with three teams consisting of 3 senior-pilots and one junior pilot. If a team do not have a junior pilot, the fourth person can be a senior. In that case the three pilots that forms the senior team, must be pointed out before the competition starts. The teams will be ranked according to the "three pilots team", although the "working-groups" will be with four pilots.

Juniors will be ranked individually, although they fly in the same matrixes as the seniors. If wanted, the juniors from one country might choose to fly together in one team.

Rules

The FAI class F3J rules will be used, except for launching of the model where F3B winch will be used. Upwind turnaround devices, which must be used, shall be no more than 150 m from the winch.
