

FAI WORLD CHAMPIONSHIP FOR SOARING MODEL AIRCRAFT (Class F3J)

6-11 August 2012
Johannesburg, South Africa

Preliminary Information Document

This information document precedes the official Bulletin 1 which will be made available after approval by the CIAM at the beginning of December 2011.

The 2012 F3J World Championships is being organised by the **Model Glider Association of South Africa**, from 6 to 12 August 2012 and will be preceded by the SOS Children's Villages (SA) F3J pre-contest on Fri 3 and Sat 4 August 2012. The contest will be held at the GEMS model gliding field, East of Johannesburg, approximately 28 km from the Johannesburg International Airport and 20 km from the official hotel. It will be the end of winter so the field will not be as beautiful and green as the picture below.

Awards

FAI diplomas and FAI medals will be awarded to the competitors placed first, second and third (senior and junior classification) and to the teams (including the team-manager) placed first, second and third (senior and junior team placing).

No fly zones and safety areas

No restricted flying areas will be in place for this contest. Competitors are reminded to restrict overflying the spectator/catering area and the nearby farm house and are asked to maintain a height of at least 3m over the highest point over these areas. No landing is permitted within the spectator/catering area, the launch corridor, across tow lines or other safety areas and safety penalties will be applied at the CD's discretion. A diagram of the field layout and safety areas will be included in official bulletins.

Advertising, Marketing, Sponsorship and Donations

The MGA would like to offer you the opportunity to market your company or products during the preparations for the World Championships as well as during the event. Please select items which interest you and email your request to michelle@murdoog.co.za so that the organisers can send you more information in this regard.

Tow-men

The organisers will make every reasonable attempt to assist teams by arranging English speaking tow-people for hire during the World Championships, however teams should indicate that they would like towers well in advance (as per their Preliminary Entry) and it remains the individual teams responsibility to ensure that they can spend some time practicing with their tow-men before the event. Costs and arrangements in this regard will be outlined in official bulletins.

Anti-doping

If any competitor has to take any of the substances listed on the WADA Prohibited list for a medical condition, then they must have a Therapeutic Use Exemption from the FAI – this documentation must be made immediately available to the Contest Director if requested.
