The Championship will likely go end of July / beginning of August 2024  
Location is Starmoen Airport that is owned by the Federation  
Here is camping, cabins, apartments and everything we need for a long week.  
We will probably provide free tents and the possibility to rent  
good and tested winches (Ober/Hollenbeck).  
A working group has been started and CD/Jury has been asked (well known names)  
The airfield will be closed for the Championship during the whole 8-10days
