The Championship will likely go end of July / beginning of August 2024

Location is Starmoen Airport that is owned by the Federation

Here is camping, cabins, appartments and everything we need for a long week.

We will probably provide free tents and the possibillity to rent  
good and tested winches (Ober/Hollenbeck).

A working group has been started and CD/Jury has been asked (well known names)

The airfield will be closed for the Championship during the whole 8-10days
